## "Education philosophy of Dr. B.R. Ambedkar - An Interface with New Education Policy"

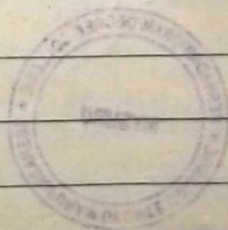

Dr. B.R. Ambedkar Research & Extension Centre, UOM, in association with Dr. B.R. Ambedkar study centre & IGAC, SDC, had organized a webinar on 'Education philosophy of Dr. B.R. Ambedkar - An Interface with New Education Policy', on 9<sup>th</sup> September 2020, at 11:00 AM. The webinar had around 1513 participants registered & participated both on google meet & youtube platforms. Prof. Sowmy Ekappa, principal, SDC gave introductory remarks & said that the education philosophy of Dr. B.R. Ambedkar, is very much relevant & still even today especially as the Centre has introduced new Education Policy. Dr. S. N. Narendrakumar, Asst. professor, Dr. B.R. Ambedkar Research & Extension Centre, Manasagangothri Mysore, moderator of the webinar, welcomed the resource person & addressed the participants. Dr. Jagannath K. Dange, Chairman, Dept. of studies in Education, Kuvempu University, Inanasahyadri, Shankaraghatta, Shivamogga, was the resource person & the key speaker of the webinar. He emphasized & highlighted the importance of education philosophy as envisioned by Dr. B.R. Ambedkar. He said that Dr. Ambedkar, contributed enormously towards the development of education than the upliftment of the society. Dr. Ambedkar said that the teachers must be role models & they should teach without any bias. They should welcome all the doubts & should instill among the learners the skills of problem solving. Both teacher & students should maintain a very good relationship. The speaker also spoke at length about the new Education Policy which has its origin in the constitution, in preamble. The new policy is very much in line with the

Education philosophy of Dr. B.R. Ambedkar. The policy has lots of advantages as well as disadvantages too. But in the course of time everything will be set right. The talk was followed by an interaction session where the participants clarified their queries & doubts. Prof. Somashekar, Director, Dr. B.R. Ambedkar Research & Extension Centre, UoM, delivered the presidential address. Feedback is taken by the participants after the webinar.
