Dear Staff Members,

You all are hereby informed that, Mentors Duties and Mentors lists for the academic year 2017-18 with the allocation of students has been prepared. The Mentors are kindly informed to uphold the duties by following the resolution passed in relation with teacher student mentoring.

**Resolution :**

Mentoring is an essential part to follow in the teaching tradition. It is a highly committed task to help find success and delight in their new work which applies equally for the teaching community as also the student community. It is also important to understand that persistence is as important in mentoring as it is in classroom teaching.

1. Will regularly arrange workshops on personality development by resource persons to benefit the students and the lecturers alike.
2. Will conduct seminars on respective subjects for the benefit of the student community by resource persons.
3. Will regularly have special guest lectures.
