The Joy of Giving: The NSS provided School bags to the Underprivileged Students

The NSS unit of Seshadripuram degree college had been to Government Primary school, Hinkal on 6 November 2021. It provided school bags to the underprivileged students. In a survey published by the governmental agencies it is a harrowing fact that many students of poor economic background could not afford bags. Under the aegis of Dr. Raghavendra, the NSS program Officer, thirty-six volunteers despatched school bags to the students.

Outcomes:

- The student was able to imbibe the qualities of Charity and benevolence
- Understood the social constitution and the idea of Great social Divide.
