**“FREE VACCINATION DRIVE FOR SECOND DOSE”**

To protect the health and well-being of the community, Seshadripuram Degree College, Mysuru in association with Govt. Primary Health Care Unit, Hebbal, NSS, NCC & IQAC with tremendous interest and concern had organized ‘Free Vaccination Drive for Second Dose’ for students and staff members in the college premises on 17<sup>th</sup> October, 2021.

The Vaccination Drive was inaugurated by lighting the lamp. This drive was well planned and it was executed successfully as around 500 individuals were vaccinated for the second time on the day by administering the Second dosage of Covid Shield vaccine. This drive shows continuous commitment and social responsibility from the side of the college and management which has made an impact through ‘Marali Collegige’ the vaccination drive in Karnataka which aims to vaccinate college students and teachers. The Vaccination Drive significantly benefitted students above eighteen years of age, Academic and Non-Academic Staff who took part in the Vaccination Drive with a lot of enthusiasm for the second time. NSS and NCC students from the college involved themselves with lot of excitement and discipline during Vaccination Drive by maintaining queue system, orderly issue of tokens, and helping every individual starting from the registration process through the Cowin web portal up to the individual getting vaccinated. Under the guidance of Dr. Raghavendra R, NSS Programme Officer and Mr. Kumar R, NCC programme officer.

The Doctors and Nurses including other medical professionals from the government primary health care unit took part in the drive. They took a lot of care and concern while conducting the RT- PCR COVID-19 testing as a precautionary preventive measure, injecting the Covid Shield vaccine, monitoring after vaccination along with other medical assistance. The world is in the midst of a COVID-19 pandemic and the nation works together with WHO which aims at tracking the pandemic, taking preventive measures, advising on critical interventions, vital medical supplies and ultimately distributing vaccines. Hence this Free Vaccination Drive for Second Dose was a commendable act as we all know that vaccination is a key step in fighting against the Covid-19 Pandemic at times of Second wave and Third Wave.

The Principal, Prof. Sowmya Erappa K, NSS Volunteers, NCC Cadets and all other teaching and non – teaching staff were present in the event.
