## **REPORT ON THE SESSION “CYBER SECURITY”**

The Internal Complaints Committee in association with IQAC of Seshadripuram Degree College, Mysore had organised a session on “Cyber Security” on **6<sup>th</sup> September, 2023** from 9.00 am to 10.00 am at College Seminar Hall. All the students of First Year B. Com, BBA & BCA were the participants of this session.

The Resource Person for the Session was: **Shri. Mahesh V, Ex-serviceman, Police Sub Inspector, Mysore District Control Room, Mysore.**

### **Objectives of the Session:**

1. To create an awareness about the Cyber Crime.
2. To create an awareness about the Cyber Security.

### **Highlights of the Session**

1. How the hackers will do the cybercrime and explained the types of cybercrimes.
2. The measures can be taken to avoid the cybercrime through cyber security.
3. Explained about the cyber security benefits.
4. He has also explained that if any cybercrimes or difficulties arise, whom to contact, how to contact to solve the problem.
5. He also provided his personal mobile number to contact if any such type of problems arises. If the students call him, he is ready to resolve them.

### **Outcome of the Session**

Students gained the insights on cybercrime and cyber security. Students also gained the knowledge about how to contact, whom to contact, where to contact to solve the problems arise to them. Hence, the students are aware of cybercrime and how to overcome them through cyber security.
